

FRIDAY 5:30

SINING IN THE RAIN BOYS

- **Costumes will be required to be worn to class on Friday, May 1 for a details check.**
 - **Since this is a details check so be sure to have everything done as explained below before coming to class that day.**
- **Don't forget to wear:**
 - **Black tap shoes**
 - **Black tall crew socks**
 - **Black tank tshirt**

PICTURE DAY: Saturday May 9. DRESS REHEARSAL and RECITAL: Saturday, May 23.

Important: Immediately double check to see if all pieces as listed below are included in your packet. Your costume package includes:

- Shirt with tie
- Tank tshirt - - to be worn under both costumes
- Pants- -to be worn with both costumes
- Hat and beige elastic for chinstrap

PANTS

- Try out the pants during vigorous movement to see if the waistline is tight enough. Fix accordingly. Be sure the waistline rides high so that the vest extends down over the waistband of the pants.
- The pants should be trimmed so they are long enough to touch the top of the shoe in front but not so long as to touch the floor in the back.

SHIRT

- Wear the shirt hanging outside the pants. Cut the white tag out.
- Tack the tie to the shirt in a few places so it can't swing around.
- Wear the black tank tshirt tucked into the pants. Test it out with vigorous movement and if it doesn't stay put then Velcro must be used to attach it to the pants.

HAT:

- Securely sew the beige elastic to the hat for a chinstrap. Let the white cord hang freely.
- Check out the during vigorous movement to be sure it stays put.

STUDENTS WITH COSTUME CHANGES:

- **Required: Label each item with your name**, as well, to help insure no mix-ups.
- A box with compartments that can fit on a chair is a good way to keep track of all items. (I like to use a large safety-pin and attach the wristlets to the front of my costume. Then when I pull on my costume, the wristlets are there waiting me. I then conceal the pin on my costume so it will be handy when I take the costume off.)
- Also, it is a good idea to practice costume changes including putting every item back in its designated place.

(Continue to next page for a check list to see if you have accomplished all items as above.)
