

THURSDAY 5:30

CANDLE IN THE WIND

Costumes will be required to be worn to class on Thursday, April 23 for a details check.

- **Since this is a details check so be sure to have everything done as explained below before coming to class that day.**
- **Don't forget to wear your pale pink footed tights and pink ballet shoes secured properly with pink elastic.**
- **Also be sure to wear your chosen undergarment which should be skin tone and totally hidden from view.**

Important: Immediately double check to see if all pieces as listed below are included in your packet.

Your costume package includes:

- Leotard with attached skirt
- Headdress and provided popclip

PICTURE DAY: Saturday May 9. DRESS REHEARSAL and RECITAL: Saturday, May 23.

STRAPS

- Adjust the existing strap so that it will not slip off of the shoulder during vigorous movements and with bending over movements. Sew the strap to itself so it cannot be adjusted anymore.
- To hide the strap, place the shoulder drape over the existing strap as shown on the next page. Securely sew the drape in the following three places: At the top of the leotard in the front, at the top of the leotard in the back, at the top of the shoulder.

SKIRT

Everyone trim the white ribbons to hang evenly with the bottom edge of the skirt.

The following students shorten all skirt layers as indicated (maintaining the high-low look and shortening the white ribbons as well):

- 1" shorter: Dionne

HEADDRESS

- The flower headdress will be worn close the bun on the student's RIGHT side.
- Securely sew the pop clip to the flower headdress.
 - Check out the flower headdress during vigorous movement and if needed add extra clips and/or bobby pins.

STUDENTS WITH COSTUME CHANGES:

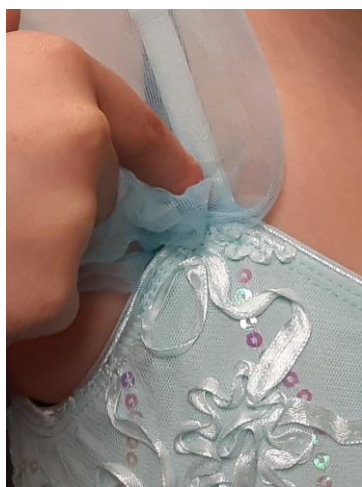

- Smaller items such as flower headdresses are easily lost backstage. A box with compartments that can fit on a chair is a good way to keep track of such items.
- **Required: Label each item (including headdresses) with your name**, as well, to help insure no mix-ups.

Lift the drape upward at the top of the shoulder. Note the spot at the top.

Put high spot you found above at the top of the shoulder. Securely sew in place.

Arrange the drape in both front and back so that it will completely hide the elastic strap. Securely sew the drape to the top edge of the leotard in both front and back. Repeat the entire process for the other side.

(Continue to next page for your checklist which you can use to see if all items are completed.)
