

TICKET PURCHASE INFORMATION FOR RECITAL

Esprit de la Danse
Presents

DANCE MECHANICS

THE NUTS AND BOLTS OF DANCE

Saturday, June 8, 2019 at 7 P.M.
Flint Center, Cupertino, Ca.

Once again, there will be no limit to the number of tickets each family may purchase! As a matter of fact, since the Flint Center is quite an expensive venue to rent for the day, **PLEASE help support Esprit de la Danse** and everyone please buy as many tickets as possible and invite as many people as possible to help me out with expenses for the day.

The tickets will be for assigned seating and will be sold for \$25.00 each.

- You do not need to buy a ticket for students who are participating in the recital.
- Parents who may want to bring a baby or toddler (under 3 years) to sit on their lap will need to have a special ticket which will be provided free, but may be obtained only with the purchase of an adult seat and the child's seat must be adjacent to the guardian adult.

As always, I will contribute \$1.00 of each ticket sold to the Kristin Jones Memorial Funds, and to the Jennifer Roach Memorial Fund. (More information on how you can also contribute will be sent out soon.)

- Also, \$3.00 of your ticket price goes directly to the Theatre Preservation Fund, with another small percentage of the ticket price going directly to the Flint Center.
- Then with whatever is leftover I will pay contractual fees for the day. So again, please help by inviting as many family members and friends as possible! (In advance, thanks!)
