

## THURSDAY 4:30

### THE FROLICKING HORSE

- **Costumes will be required to be worn to class on Thursday, April 9 for a details check.**
  - **Since this is a details check so be sure to have everything done as explained below before coming to class that day.**
- **Don't forget to wear your pale pink footed tights, and pink ballet shoes secured properly with elastic (be careful of tights bought from Target which are sheer like pantyhose, and have a line on the thigh like pantyhose. These will not be acceptable).**
  - **Also, do not buy "ballet shoes" from Target as they really just slippers and will not be acceptable.**

Important: Immediately try on your costume, and immediately double check to see if all pieces as listed below are included in your packet.

Your costume package includes:

- Leotard with attached tutu
- Feather plume
- Flower headdress

PICTURE DAY: Saturday May 9. DRESS REHEARSAL and RECITAL: Saturday, May 23.

### SHOULDERS

- Check out the shoulders during vigorous movement and if they slide off, then tighten the beige elastic from the back side. After doing so, then securely sew them so that they can no longer be adjusted.
- Securely sew the red flower part of the over-strap to the beige elastic strap at the top of the shoulder being sure arrange the black fabric so that the beige elastic is completely covered by it I both the front and the back.

### TUTU

- Most will leave the skirt as is. The following please shorten the blue layer only by 1 inch.
  - Ella, Madelyn
- Everyone: Sew the red top layer of the skirt to itself in the back where it splits. Then repeat this process and sew the bottom black/red layer to itself in the back where it splits.

### HEADDRESS

- Securely attach the red feather plume to the underside of the headdress. The plume should be attached in such a way that it will sit vertically upward when the clip is in place. The black fan will then be on the underside.

(Continue to next page for a check-off list to see if you have accomplished all items as listed above.)
