PICTURE DAY: Saturday May 18. DRESS REHEARSAL and RECITAL: Saturday, June 8.

Important: Immediately double check to see if all pieces as listed below are included in your packet. Your costume package includes:

- Unitard
- Headdress
- Gloves on order
- Gold sequins

UNITARD

- If the pants are too long, wear them scrunched around the ankle.
- Cover the beige elastic in the back with the gold sequins
- Use black Velcro for the closure on the neck in the back.
- Cut out white tag.

HEADDRESS

Wear the bow on the Student's right side and back close to the bun.

GLOVES

Make certain gloves cannot come off with sudden flips of the wrist. Tighten accordingly.

BOX- - bring a box every week to house the costume items you use to "overdress".

STUDENTS WITH COSTUME CHANGES:

Smaller items such as headdresses and gloves are easily lost backstage in our crowded conditions.

- A box with compartments that can fit on a chair is a good way to keep track of such items.
- **Required: Label each item with your name**, including headdresses and gloves, to help insure no mix-ups.
- Also, it is a good idea to practice costume changes including putting every item back in it's designated place.

(Continue to page 3 for a check-list.)

Shirt and Pants (trim with gold sequins)

PANTS- -determine if waist is tight enough first. The waist of the pants should be worn high enough that they ride close to the crotch.

- Try out the pants during vigorous movement to see if the waistline is tight enough. Fix accordingly.
- Trim length so that they touch the top of the foot in the front, but not so long as to touch the floor in the back.

SHIRT- -wear over your black leotard if at any time skin can be seen when doing movements with arms overhead. If the shirt rides up and stays up, attach it to the pants or leotard with Velcro.
