

WEDNESDAY 4:30

FIREFLIES

- **Costumes will be required to be worn to class on Wednesday, April 8 for a details check.**
 - **Since this will be a details check so be sure to have everything done as explained below before coming to class that day.**
- **Don't forget to wear your pale pink footed tights and pink ballet shoes secured properly with pink elastic and chosen undergarment (if any) that should be skin tone and totally hidden from view. (No tights or shoes from target.)**

Important: Immediately try on your costume, and immediately double check to see if all pieces as listed below are included in your packet.

Your costume package includes:

- Leotard with attached tutu skirt
- Wings
- Headdress
- Pop clips- -located on the headdress

PICTURE DAY: Saturday May 9. DRESS REHEARSAL and RECITAL: Saturday, May 23.

SHOULDERS

- Check out the costume during vigorous movement. If the shoulders do not stay put, tighten from the back as needed.

TUTU

Leave skirt length of the tutu as is unless your name is listed below:

- Shorten all layers of the tutu by 1": Eileen

HEADDRESS

Securely sew the pop clips to the headdress.

Check out the headdress during vigorous movement. If it doesn't stay put add more clips.

WINGS

- Using black Velcro, form a fastener to the wings in the lower half of the large green circle to attach to the bodice of the tutu in the back.
- Please note: Self-stick Velcro does not permanently adhere to fabric and so it is required that it be securely sewn in place.

STUDENTS WITH COSTUME CHANGES: Smaller items such as headdresses are easily lost backstage in our crowded conditions.

- A box with compartments that can fit on a chair is a good way to keep track of such items.
- **Required: Label each item with your name**, as well, to help insure no mix-ups.
- Also, it is a good idea to practice costume changes including putting every item back in its designated place.
- Dinosaur Dancers: because of your fast change, please wear your suntan tights over your pink tights. That way, all you have to do is pull the suntan tights off, saving valuable time.

(Continue to next page for a check list to see if you have accomplished everything as listed above.)
