

## WEDNESDAY 6:30

### THE THINKER- -girls

- **Costumes will be required to be worn to class on Wednesday, April 22.**
- **This is a details check so be sure to have everything done as explained below before coming to class that day.**
- **Girls: Don't forget to wear your BLACK tap shoes, and chosen undergarment which should be skin tone completely hidden from view.**

PICTURE DAY: Saturday May 9. DRESS REHEARSAL and RECITAL: Saturday, May 23.

Important: Immediately double check to see if all pieces as listed below are included in your packet.  
Your costume package includes:

- Top
- Socks
- Strip of black lycra
- Pants
- Bandana
- Pop clips

### Top

The sleeves will be worn scrunched up as shown. To be sure the sleeve doesn't fall out of the scunching securely sew the scrunches in place. (See next page.)

### PANTS- -determine if waist is tight enough first.

- The waist of the pants should be worn high enough that they ride close to the crotch. Try them out with vigorous movement and squatting and bending over moves to be sure the waist is snug enough. If the pants start slipping down, adjust the waistline accordingly.
- The socks will be worn over the bottom hem of the pants.

### TIE

- The lycra has already been tied in a knot. The knot should be tight under the collar as shown with the pointed ends hanging down. (See next page.)
- Securely sew the opposite ends under the collar using a Velcro closure on one side. Please note: self-stick Velcro does not permanently adhere to fabric and so must sewn in place.

**HEADDRESS- -Wear the bandana around head as shown. (See next page.)**  
Securely sew two pop clips to the headdress.

### STUDENTS WITH COSTUME CHANGES:

Smaller items such as leotards and shoes are easily lost backstage in our crowded conditions.

- A box with compartments that can fit on a chair is a good way to keep track of such items.
- **Required: Label each item with your name**, including headdresses, to help insure no mix-ups.
- Also, it is a good idea to practice costume changes including putting every item back in it's designated place.

Sleeve scrunched to about the middle of the lower arm.

Knot of tie close to collar

Knot of bandana center-front

(Continue to next page for a check-off list that you can use to determine if you have completed all items as described above.)
